

DESCRIPTION

The central point of the set is the tower with a slide. It is connected to 2 bridges: easier to overcome, secured with a full barrier and rope bridge, requiring greater efficiency and better coordination. 4 colorful security elements with manipulations encourage you to play. The set will be perfect both in kindergarten and in the local playground.

INFORMATION

Number of users	13
Age range	0 - 6
Device dimensions [m]	6.1 x 2.34 x 4.1
Compliance with the norm	EN 1176
Spare parts
