

## Board for lattice House 58107

## DESCRIPTION

The dry-erase board is a versatile addition to the Lattice House, allowing it to be transformed into a school, shop, or restaurant. With an easy-to-clean surface, children can create and change notes, prices, or menus according to their imagination. The durable construction and weather resistance make the board ideal for outdoor play. Construction: pine wood boards with a thickness of 2.0 and 2.5 cm, vacuum impregnated; Board: Plywood covered with a chalkboard surface.
