

### DESCRIPTION

This minimalist yet functional playhouse fits perfectly with the idea of outdoor play, supporting children's development through creativity and interaction with the environment. Its simple structure allows easy customization to fit children's needs and imagination. The house is ideal for role-playing as a shop, café, post office, or home. It also serves as a cozy nook for reading, drawing, or simply relaxing outdoors. Made of impregnated wood, it ensures durability and weather resistance while highlighting its natural character. You can purchase furniture from the Terra collection, such as a table and stools, to enhance its functionality and play possibilities. Construction: pine wood boards with a thickness of 2.0 and...
