

DESCRIPTION

The Retro 101 Set is the perfect combination of classic design with modern solutions. The structure consists of a sturdy wooden platform with intriguing safeguards and a ladder for safe entry. The slide, made from HDPE sheet recycled from fishing nets, ensures safe play. Natural wood perfectly blends with the surroundings, and proven conservation methods guarantee its durability and resistance to weather conditions. The solid construction and top-quality materials ensure safe play. The Retro 101 Set fits seamlessly into any environment, creating an aesthetic, durable, and functional play area that also teaches children respect for nature. Construction: load-bearing posts made from knot-free pine wood, 90x90 mm; P...
