

DESCRIPTION

The Retro 103 Set is a perfect combination of classic style and modern features. The construction includes a sturdy wooden platform with aesthetic safety features and a ladder for safe entry. The set is equipped with a slide made from HDPE recycled from fishing nets, ensuring safe play. The Retro 103 Set also offers a climbing wall, which develops children's motor skills and encourages active play. The natural wood used in the construction of the set blends seamlessly with the environment, and proven conservation methods ensure its durability and resistance to weather conditions. The solid construction and high-quality materials make the Retro 103 Set not only aesthetic but also highly functional and safe. It ...
