

DESCRIPTION

The Retro Set 401 is a versatile agility course, perfect for children who want to spend time actively outdoors. It consists of multiple platforms, each offering different challenges. The set includes numerous obstacles such as climbing walls, rope crossings, and moving logs that develop children's coordination and strength. The platforms are connected by various bridges, and overcoming all the obstacles is rewarded with a long slide. The structure, made from natural wood, and the use of eco-friendly slides made from recycled HDPE make this set not only attractive but also environmentally friendly. The solid construction and high quality of the materials used guarantee the safety and longevity of the equipment...
