

### DESCRIPTION

The Roto 150 Carousel combines traditional style with modern construction. Equipped with comfortable seats and stable handles, it is the perfect place for several children to play together. Its universal design makes it a great fit for any playground, while the durable materials ensure long-lasting use. Construction: made from S235 steel; Anchoring: foundation below ground level;

Panels and tabletops: high-pressure laminate (HPL) (8-12 mm); Steel components: protected against corrosion by galvanizing and powder coating; All fittings and connectors: made from stainless steel.
