

DESCRIPTION

A fantastic solution for children who love to draw. They enjoy not only painting but also erasing and creating new pictures and notes. The low mounting of the board makes it accessible to both smaller and bigger children. Construction: load-bearing posts made from stainless steel pipes with a diameter of 76.1 mm; Anchoring: directly in the ground; Panel: made from flexible high-pressure polyethylene HDPE (15 mm); Steel components: fittings and connectors made from stainless steel.
